

Fundamentals of Palliative Care

Wednesday

23 June | 30 June | 7 July | 14 July | 21 July

Palliative care should be available as a care philosophy for all individuals and is everyone's responsibility. Come and learn more about caring for palliative care patients.

Ten sessions covering all aspects of palliative care are being offered by the Otago Community Hospice (OCH). These sessions have been developed by Hospice New Zealand and will be delivered by various members of the OCH specialist palliative care team, who have an expertise in the topics they will be presenting.

Topics covered:

Essence of Palliative Care, Pain and Symptom Management, Chronic Illness, Dementia, Ethics, Spirituality, Loss and Grief, Communication and Caring for ourselves.

- Attendees will be given workbooks before each session
- There is an expectation that there will be a commitment to pre and post session learning activities
- Certificates are issued on completion of post learning reflection
- Participants who attend all 10 sessions and complete the post learning reflection will also receive a Hospice New Zealand badge.
