# Syringe Driver Training

Thursday 11 February  
Tuesday 13 April  
Wednesday 16 June  
Monday 9 August  
Monday 13 December

1.00pm-3.00pm  
3.00pm-5.00pm  
10.00am-12.00pm  
1.00pm-3.00pm  
3.00pm-5.00pm

Are you an RN or EN working with syringe drivers? How confident do you feel? We encourage your attendance at our scheduled sessions.

In this package developed by Hospice NZ we offer hands on, interactive experience using practical examples in order to manage a subcutaneous infusion via Niki T34 safely and effectively.

**Cost \$20 per attendee**  
**RSVP (one week prior)**  
**essential**

**Locations:** TBC

For further information and registration forms please visit [otaghospice.co.nz](http://otaghospice.co.nz)

Alternatively you can contact Glenda Hall, Education Coordinator on (03) 473 6005 or email [reception@otaghospice.co.nz](mailto:reception@otaghospice.co.nz)

Please note:  
Failure to attend or cancellation within 72 hours of the course will still incur the full cost.
