Are you an RN or EN working with syringe drivers? How confident do you feel? We encourage your attendance at our scheduled sessions.

In this package developed by Hospice NZ we offer hands on, interactive experience using practical examples in order to manage a subcutaneous infusion via Niki T34 safely and effectively.

Cost \$20 per attendee
RSVP (one week prior)

Locations:

Balclutha – St John’s, 7 High Street
Central Otago – TBA
Oamaru – The Hub, 343 Thames Highway
